DOCKET NO. 2020-265-E - Duke Energy Progress, LLC's Establishment of Solar Choice Metering Tariffs Pursuant to S.C. Code Ann. Section 58-40-20 (See Docket No. 2019-169-E)

On November 4, 2020, Duke Energy Carolinas, LLC and Duke Energy Progress, LLC ("the Companies") jointly filed an Application with the Public Service Commission of South Carolina (the "Commission") pursuant to S. C. Code Ann. § 58-40-20, S. C. Code Ann. Regs. §§ 103-819 and -823, and other applicable rules and regulations of the 2019 ("Act 62"). Specifically, the Companies seek Commission approval of the Companies' proposed solar choice metering riders and rate schedules (collectively, the "Solar Choice Tariffs") as specifically required by Act 62 and approval of the riders and rate schedules as included in Application Exhibit 1 through Application Exhibit 8, along with any further relief the Commission deems to be just and reasonable and in the public interest.

S.C. Code Ann. Section 58-40-20 (F)(1) states, "After notice and opportunity for public comment and public hearing, the Commission shall establish a 'solar choice metering tariff' for customer-generators to go into effect for applications received after May 31, 2021." S. C. Code Ann. Section 58-40-20 (F)(2) provides, "In establishing any successor solar choice metering tariffs, and in approving any future modifications, the commission shall determine how meter information is used for calculating the solar choice metering measurement that is just and reasonable in light of the costs and benefits of the solar choice metering program." Also, S. C. Code Ann. Section 58-40-20(F)(3) provides, in part, "A solar choice metering tariff shall include a methodology to compensate customer-generators for the benefits provided by their generation to the power system."

During its regularly scheduled Commission Business Meeting on December 16, 2020, the Commission adopted the following revised procedural schedule regarding solar choice metering tariffs for Duke Energy Progress, LLC and Duke Energy Carolinas, LLC.

The team defeated Kings, 28-18 last Friday. Sadie Baker led the scoring with 8 points. Christian Academy of Myrtle Beach does not have a junior varsity girls' team.

#### Up next

The Dragons host Carolina Academy on Thursday night and will travel to Pee Dee Academy next Tuesday. They will play four straight home games beginning with Conway Christian next Friday.

### Fuller is K-6 Student of Month

The Character Education trait for December was compassion. Sa'nyla Fuller, a pre-kindergarten student at Cile Elementary School, was chosen as the district winner for grades K-6 as Marlboro County School District Character Education Student of the Month. Fuller was recognized at the January Board of Education meeting. The following is what her teacher wrote about her: "Compassion is defined as having the desire to help someone. Sa'nyla is always showing compassion to her classmates even as they are learning virtually. She encourages them to always do their best while wearing a smile. She truly is our class cheerleader! There is never a day we don't hear her say 'it's okay you can do it just try!' She motivates her classmates to do their best and although she wants to use hugs as a gesture, she is aware that COVID requires her to show her concern in other ways. Sa'nyla even at her young age has a heart of gold and I think she deserves to be the School Character Education Student of the Month."
